

School Policies:

- It may be noted that registration does not guarantee admission.
- A SELECTION INTERVIEW & TEST to ascertain the right grade is mandatory.
- The admission age to class 1 is 6 years.
- The school reserves the right of refusing admission to any student without assigning any reason.
- It is essential for a pupil to have 75 % in attendance in each semester to qualify for summative evaluation.
- All communications should be addressed to The Principal and it is to be in writing. No verbal assurances or statements will be accepted.
- Irregular attendance, habitual lack of interest in school work and insubordination of any sort will not be accepted and dealt with appropriately.
- All students are expected to wear their school working jacket while the classes are in progress.
- Parents are expected to show an interest in their child's academic and co- curricular assignments.
- It is not advisable for a parent to interrupt classes while they are in progress.
- It is mandatory for parents to attend the online Parent/Teacher Meetings
- The rules and regulations are liable to change without prior notice during the course of the session. These changes, if any, will be applicable to all students [even those who have been admitted prior to the change], and will be updated on records.
- Parents are advised to refrain from engaging teachers of this school as private tutors of their wards.
